

## Your client relations team

### London

Getting hold of us at Nucleus couldn't be simpler, we're open from 8.30am - 5.30pm Monday to Friday (excluding bank holidays).

You should contact us securely through Jira to raise a platform issue, or through Live Support if it's a quick query. You can also phone your CRM directly using the number below, or use the team contact number.

#### Jira

Jira is our online servicing system and main communication method between you and your client relations team. You should use Jira to ask your CRM questions and view existing issues that you've already raised.

#### Live support

If you have a quick question, you can use Live Support – our instant messenger service. This is useful if you're in the middle of keying an application for example. Just look for the link on the top-right of the platform.
